ROY M. NELSON

Died September 6, 1958

Superintendent and friend, who has left us with a vacancy that can never be filled in exact duplication.

We must submit to the inevitable, but it makes less the sorrow for all who shared the warmth of his friendship, the awareness of his inquiring mind, and his love for his fellowmen.

He was a friend to all who knew him. Although he is not with us physically, he will always be present in our memories and in the enduring physical facilities constructed under his leadership. Such things stand as memorials to one who had a close kinship with the word "w-o-r-k."

## *Dedication*

In gratitude for your tremendous patience and your good natured readiness to sacrifice your time to all who ask, we want to dedicate this 1959 BLUE DEVIL to you, Mrs. Roy M. Nelson, in the hope that it can convey our feelings and heartfelt thanks for help you have given us with parties, menus, banquets, decorating, sewing, cooking, flower arranging, and our "daily bread." Your activities for us are too numerous to mention.

## *Publishers . . . The Blue Devil*

Seated are Editor Kay Hassell with Assistant Editor, Diane Davis. Looking on are Business Manager, Ruby Featherston; Sports Editor, Martha Bledsoe and Hazel Underwood.

*We Can Look Back Fondly to  
These Days*

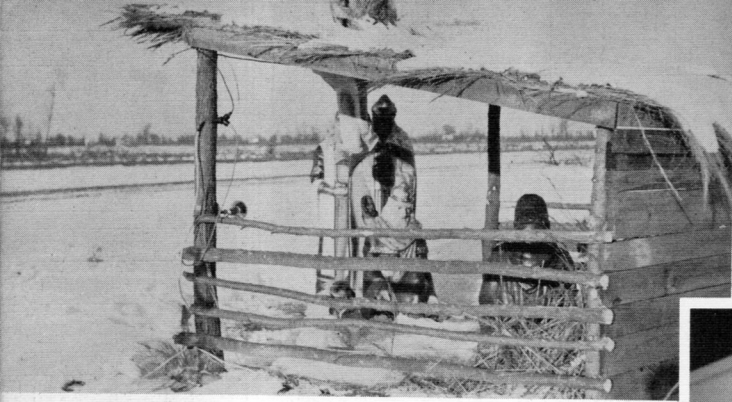

When snow  
covered the  
countryside.

When parties  
were fun at  
Devil's Den.

When snowy  
Saturdays were  
lots of fun.

A nativity scene put  
the community in the  
Christmas spirit.

Churches opened the  
doors to all at the  
Christmas season.

And fall of the year meant  
homecoming.

In Physics two sexes battle for successful experiments.

Peggy has given thought to her biology drawings.

Others spend noon time looking at yearbooks.

A service to the math room was dusting erasers.

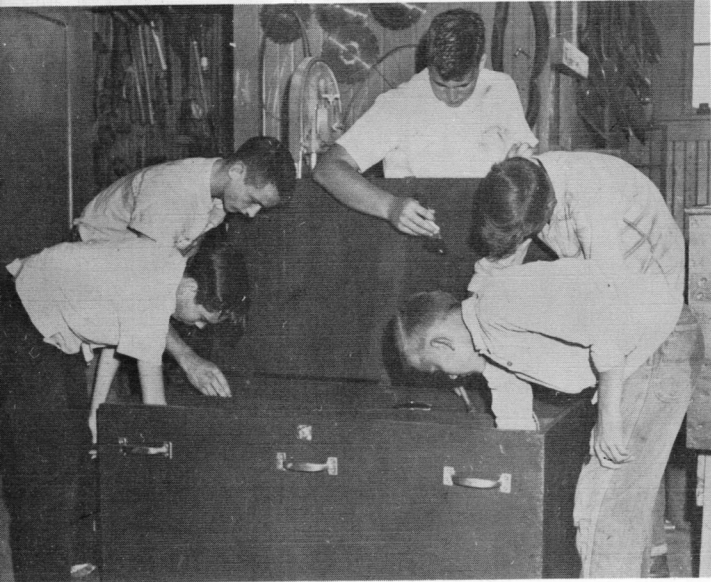

Diane posed at St. Augustine enroute to S. A. S. C.

Linda and Betty gave a pep assembly.

Ruth Ann, Mary Ellen, and Mary Ann had a February program.

Boys worked in Shop.

Students and sponsor plan Inter-City meeting.

It was fun for Martha, Katherine, and Gerald.

Ruby Lee worked on absentees.

## ESTHER WILLIAMS

February 5, 1959

Miss Sherry Faye Chism,  
Hughes Public Schools,  
Hughes, Arkansas

Dear Miss Chism,

I am returning herewith the pictures you sent me with the request that I select the most handsome boy and the most beautiful girl for your 1959 yearbook.

They are all such fine looking young people that you have given me a difficult task. I could not possibly grade them in degree as you have asked as each has some outstanding quality.

However since, I guess, every contest must have a winner I have selected one boy and one girl - and only hope the others will remember that after all I am only judging from photographs and that many other qualities are important in creating an impression of beauty in addition to physical attributes - things which do not show in a photograph such as beauty of thought and spirit.

My selection among the girls is Charlotte Burchfield and among the boys is Bobby Pouncey.

My best wishes to all the others as well as to your faculty and members of the student body.

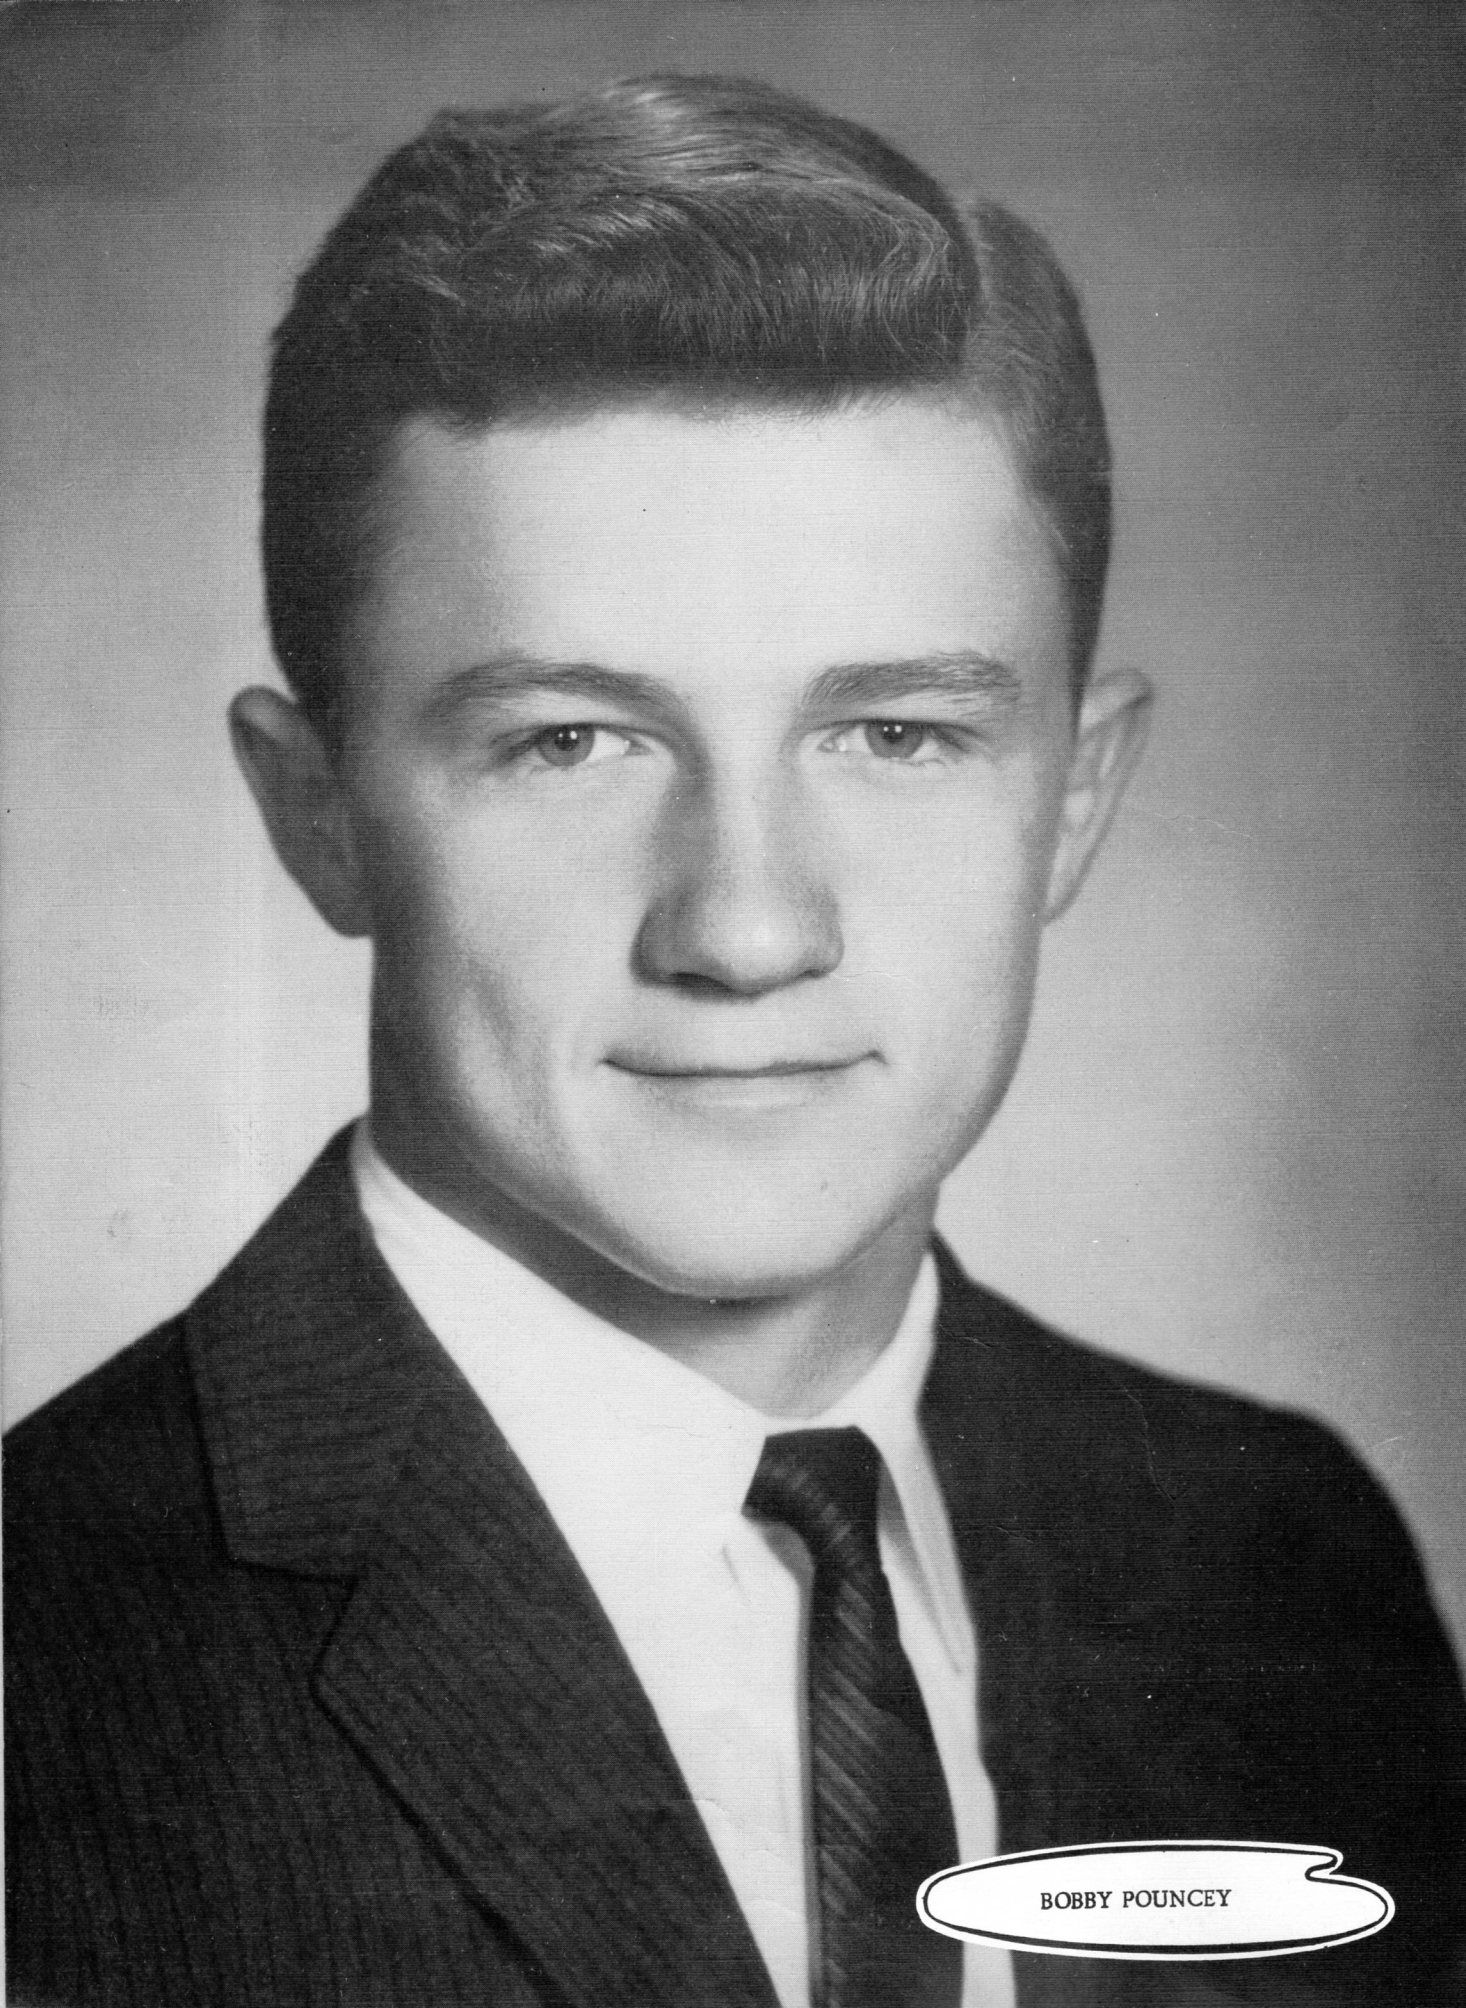

Sincerely,

Esther Williams

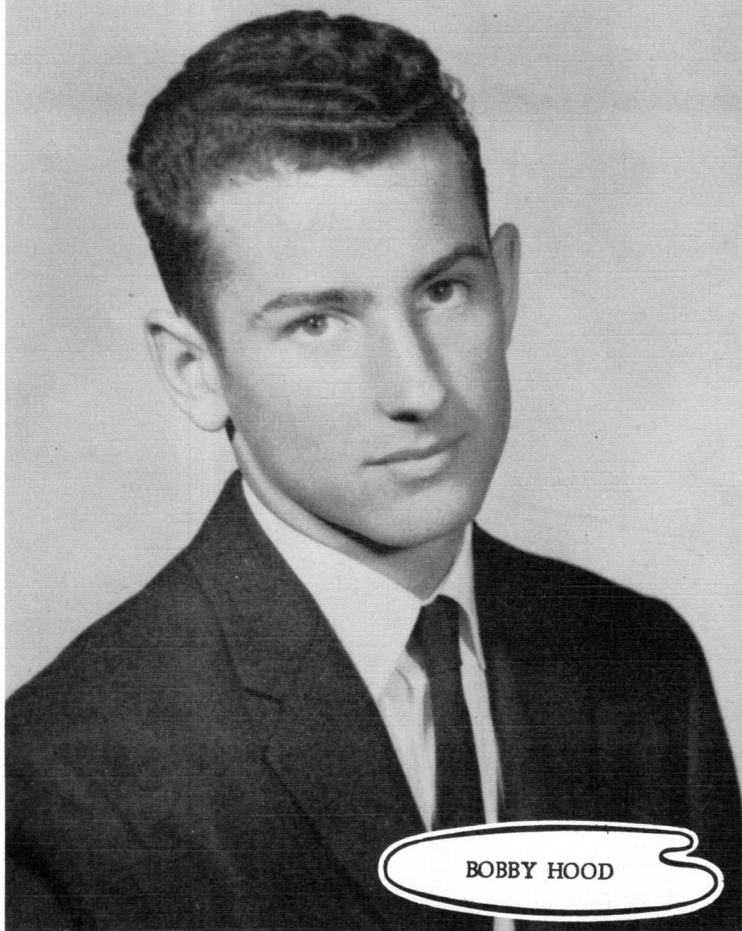

Dear Jerold,  
I've really enjoyed our friendship  
this year and will miss you some  
of humor and next year. Love June  
because it will be your last. Wish  
I could have helped you out in typing,  
but I couldn't even get me down.  
I hope I can get back next year for  
some of the football games. You  
be careful! May you always stay  
as sweet and friendly as you are now.  
Charlotte

FIRST GRADERS EXPERIENCED THEIR FIRST CHRISTMAS AT SCHOOL

These are the fairies in "A Vacation for Santa Claus."

Brownies crowd around Mr. and Mrs. Santa and the Sandman.

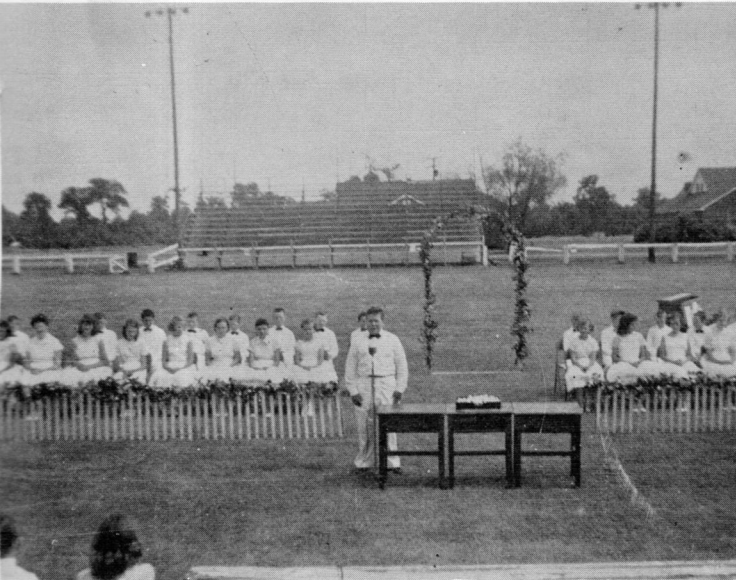

Mr. and Mrs. Santa (Hollice Ann and Barry)

The Christmas trees

We all loved the outdoors and spent as much time there as possible. When the weather was too bad for us to be outside our teachers and mothers entertained with a basketball game.

Even sixth grade promotion was held outside.

Harriet, at times, was a real tomboy.

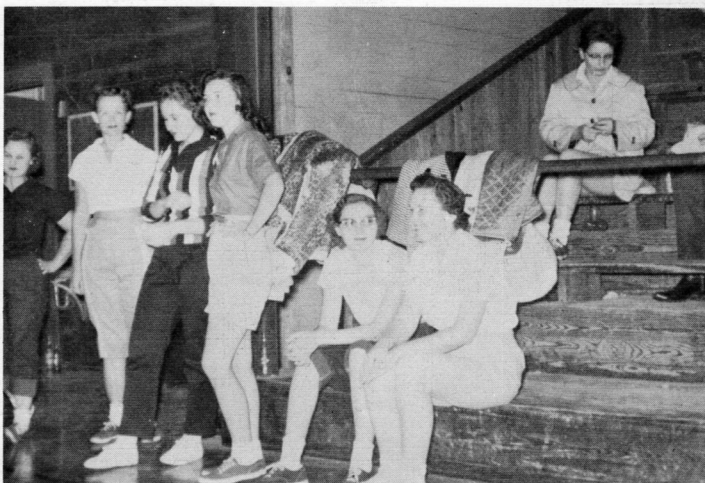

In the fall we had the hula hoop craze and these were winners in a contest of twirlers.

A party is more fun when it's outside.

The teachers practiced.

And then they won.

Christmas in the grades is a never to be forgotten experience - a touch of beauty, a bit of kindness, gaiety, and happiness.

A thing of beauty is a joy forever.

Posing before the tree.

Finishing touches are added.

Everyone has left the tree at the close of school.

Mrs. Nickle talked to sixth graders about foreign lands.
