1965-66

Dear Students:

I appreciate having an opportunity to write a few words of greeting in your 1966 BLUE DEVIL. From year to year I realize how much times change and that we are truly living in a changing world.

The advance of science, the ease of communication, the mobility of peoples, all help to give us a much broader understanding of the world in which we live.

It is always my hope that each student in our school is taking the opportunity to prepare himself to live in a present day world and to meet the challenge of the times.

The years which you spend in public school should be the most memorable of your life. In fact, when you sing the words to our Alma Mater, you are making a promise that you will never forget "the memories of old Hughes High". May each memory you have be a pleasant one.

Sincerely yours,

Roy L. Stobaugh

Miss Julia McKenle
Hughes Public Schools
Hughes, Arkansas

Dear Julie,

After we looked through the photos you sent us of candidates for the most beautiful girl and the handsomest boy for your yearbook, we realized that this was no job for mere mortals.

We asked Tommy's Heavenly Chief, Ralph, to help us out. He selected Butch Dillahunty and Jim Bonds and we'll have to agree that those are pretty good choices.

All we can say is that you grow them so good looking in Arkansas that you make this kind of contest almost impossible!

Warmest regards,
THE SMOTHERS BROTHERS
