COVER and THEME  
DESIGNED by  
Michael Sanders

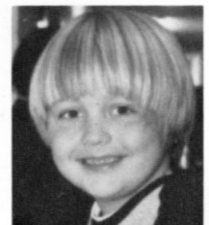

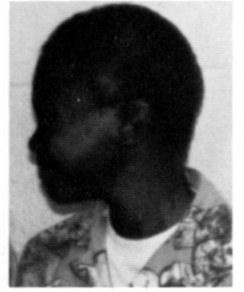

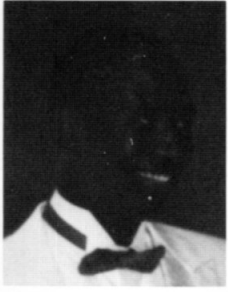

Through the years, many outstanding students enter and leave Hughes High School. This year has been no different. The graduating class of 1990 is on the edge of entering the real world, as other young people fill the empty places and seats left by the seniors in the high school world.

These young students all encounter a wonderful enlightenment that each and every graduating class of HHS has experienced. They will recognize the difficult, yet rewarding, experiences of learning and what it actually takes to enter the college world and even life itself. Most of all, these students will become acquainted with Hughes High School, for they will encounter good and bad grades, rewarding activities and achievements, and, of course, school spirit.

Through it all, as these educated minds enter and leave these wondrous buildings of education, they will in some mystical and unique way remain

FOREVER YOUNG.

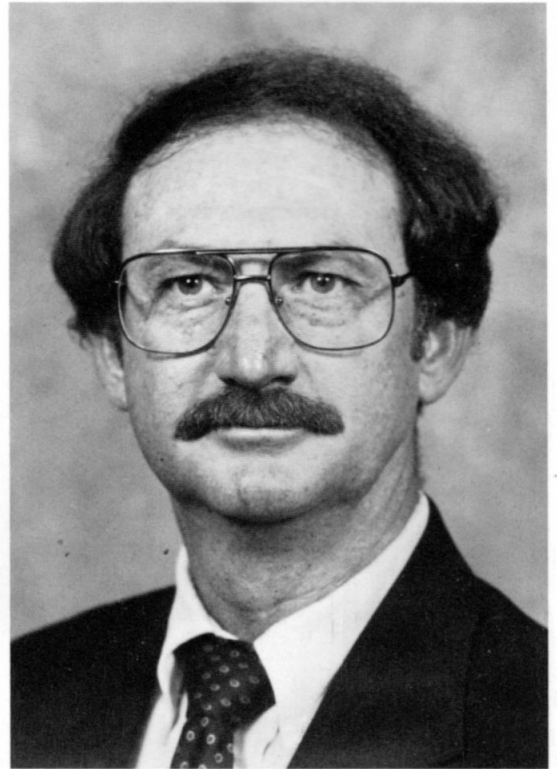

# 1990 Blue Devil Dedication

Danny Cain has taught at Hughes High School for nine years. This has been his only teaching position since college.

Mr. Cain is presently one of the sponsors of the Class of 1990, and he ranks pretty high with most seniors.

After graduating from high school, Mr. Cain attended Ouachita Baptist University, where he received his Master's Degree in 1980.

Mr. Cain's main interest is reading, especially books written by American author John Steinbeck.

Mr. Cain's dedication to his students is shown by his fairness and his ability to get the students to think for themselves.

All-in-all, since the students consider him a "regular guy who is easy to talk to," Mr. Cain displays the ability to be . . .

On Friday, November 3, 1989, the Hughes Blue Devils put forth a great effort to "capture the magic of victory" from the Cross-County T-Birds. Even though they failed to capture the victory, the Blue Devils captured the magic by playing a good game.

The two Homecoming events that continued throughout most of the week were the dress-up days and the hall decorating contest.

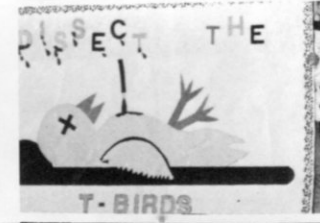

The dress-up days consisted of a magician/gypsy day, a bum day, and a blue/white and tag day.

The hall decorating contest was very successful and showed an abundance of imagination and school spirit. CONGRATULATIONS to the winners!!

On November 3, 1989, there was a special Pep Assembly and the 1989 Homecoming Royalty was presented. After the Royalty presentation, each club was able to display their banners, which were created to show blue Devil support. Also during this assembly, the cheerleaders presented a skit and cheers for the Blue Devils.

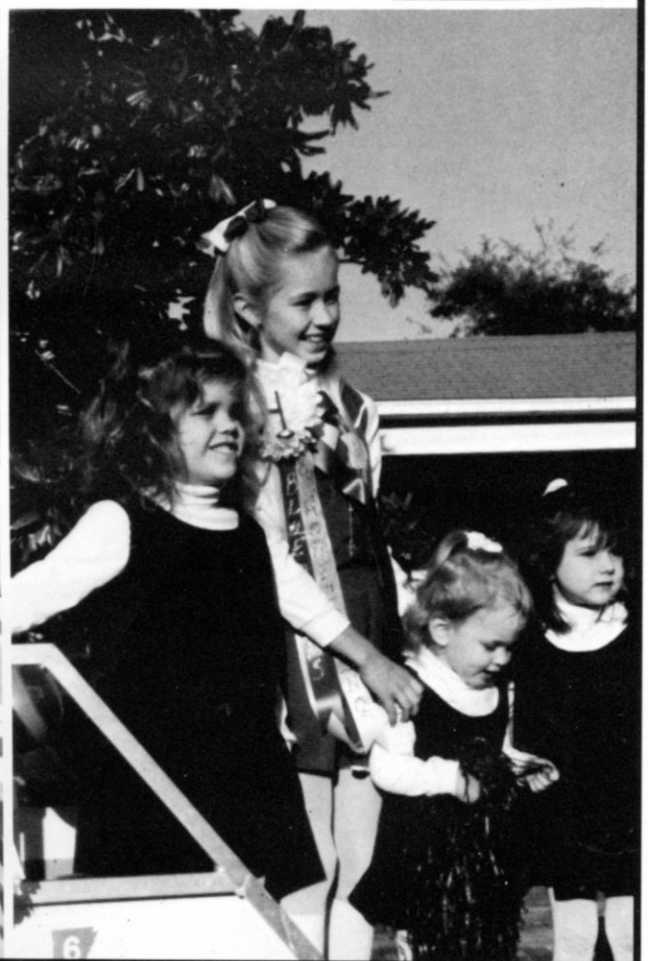

After the Pep Assembly, the Hughes Booster Club sponsored a parade. Many people decorated their cars and trucks and showed their Blue Devil spirit.

That evening, the Hughes Blue Devils played a challenging game against the Cross-County Thunderbirds. Many Blue Devil fans were in attendance to cheer the Devils on.

After the game, the Sr. High Student Council sponsored a dance for grades 9-12 in the old gym. Many students were in attendance.

# SCHOOL LIFE

College Night was held at Hughes High School October 9, 1989 at 6:00 in the high school auditorium. There were sixteen colleges and approximately seventy-five students present. The representatives provided information to the students that would help them in getting scholarships, financial aid, etc. They offered information that would help them make a major decision about their future. As sponsor of College Night, Mrs. Sheryl Bennett thinks we had good participation. She also says that College Night has been a success in the past and there's no reason to believe that it won't be a success in the future. She pointed out that there was a need for the counselor, students, parents, and community to be more informed about post high school education opportunities.

Being Editor of the 1990 Blue Devil yearbook has been a truly rewarding, yet challenging, experience. Not many people realize the great amount of determination, extra time, and special effort that goes into the making of a yearbook. From the beginning of our work we, the Annual Staff, have tried to create a book of "Photographs & Memories." We hope that ten to twenty years from now, you will be able to look back into this book and keep in mind that you will always be "Forever Young."
