Fall 1995

LOOK WHO'S NEW AT HHS by Maranda Rowell

School started August 21, 1995 at HHS. Boy was there a crowd! There are many new faces around the campus. The new crowd is mostly based upon seventh graders. People act as if the seventh graders don't exist! It is our job to make them feel comfortable than what they already are. Here's advice to the Seniors.

"Seniors, we must be there to help the classes under us, because we've been where they are and we are leaving where they are trying to get. Never put down the classes under us, because remember we once were there in the same spot."

I have seen a couple of new faces around, but I haven't gotten close enough for conversation. Out of all the people in the high school, try to make the seventh graders feel at their best.

There are also new teachers on the staff. Some of the teachers come from the Elementary like Ms. Youngdahl and Mrs. Gardner. The other teachers are really new to the staff such as Coach Pinckard, Mrs. Baker, Mr. Warford, Coach Rogers, and Mrs. Lynch. If I left a teacher out I send my apologies. It seems like they are very happy to be here.

I have learned that Coach P. is really easy to get along with. Here are a few words from him: "I have enjoyed meeting the new students at Hughes High School. The students are very respectful and fun to talk to."

The question is: Are the students giving them a hard time? Lets not forget about the substitute teachers because there are new ones on the staff. Substitutes have a very hard time because sometimes there is no control over the class. Here's some advice

NEW FACULTY

Hughes High School wants to welcome several new teachers this year. Who are:

Ms. Baker	English
Ms. Lynch	Special Ed
Coach Pinckard	Health

We would also like to welcome Ms. Wilburn and Ms. Youngdahl to the high school campus.

Local Student Has Part in Shakespearean Play

One of our students, Bo Baker, was in a play written by Shakespear. The play Twelfth Night was about a case of mistaken identity. The play, which was in Memphis at the Overton Park Shell, lasted for fifteen days. It took Bo about two weeks to learn his lines. He feels the play was very successful and many people enjoyed it.

PRINCIPAL TALK

The Jr. High student of the term

Tosha Scofield, a freshman, has been selected Jr. High Student of the Term for this nine weeks.

Tosha, who is a bright young lady loves to play basketball, listen to the radio, and run track. When asked what are her hobbies she replied, "Just doing my own THANG, plus boys!" Let's give Ms. Tosha Scofield, a hand for making Hughes Jr. High student of the term.

Teacher of the Term

Coach Daryl Long has been chosen teacher of the term at Hughes High School. Coach Long enjoys teaching young people whether on the court or in the classroom. He stated that he receives the respect he deserves from everyone at Hughes High School. When asked what he does outside of school Coach Long replied, "All my free time is now taken up with my two month old son, Joe Long." Coach Long would like to thank everyone that voted for him this term.

by Annie Mitchell

In a recent poll at Hughes High School, Students were asked if the Hughes High School Blue Devils would return to the State Championships, out of 14 students, eleven said yes they would return and win. The other 3 said no because we lost so many valuable players that graduated last year. Come on Devils, LET'S GO TO STATE!!!!

How many tardies have you gotten this year? Is 4 minutes between classes really enough time to get to class? Fifteen out of eighteen students seem to think its not. To the students who think we need more time, it teaches responsibility and helps them understand that this a HIGH SCHOOL and there is a schedule that has to be followed. Look on the bright side, with the 2 minutes we don't have between every class, we get out of school 9 minutes earlier than last year.

What pop/rock music star has been on the cover of every magazine in the world? I'll give you another clue, last year he married the late "king of rock & roll's" daughter, Lisa Marie Presley. Surely you know by now....Yes, it's Micheal Jackson. And the question is will he and his wife stay together. Well, 9 out of 16 students at HHS seem to think they will. But we will see, won't we?

Sr. High Student of the Term

By Erica Scales

Ozell Craft, a sophomore, has been chosen student of the term, because he hasn't been in trouble, has done all his work, and enjoys all his teachers. His best features are his personality, attitude, and he works well with others. Ozell's hobbies are football, basketball, and track. He has participated in all three sports since the seventh grade. Let's give a hand for our senior high student of the term, Ozell Craft.

Are the Blue Devils Going to the State Play-Offs?

By: Chris Sanders

The Hughes Blue Devils have won six of seven games for the season. The Devils had to suffer a loss against Truman. They are still assured a place in the playoffs. Thanks to their victory over Harrisburg.

Every player on the team needs a pat on the back for their outstanding job. Let's congratulate the 1995 Blue Devil Seniors. Who are: Corey Davis, Tommu Smith, Richard Harrison, Jared Cupples, Harvin Lowe, Ben Cole, Henry Scofield, Corey Smith, Jason Robinson, and Daniel Flowers.

The Blue Devils are having a terrific season. Keep up the good work in the playoffs!!!!!!!!!!!!!!!!!!!!

New Dress Codes

There is no specific dress code for students in Hughes High School. There are certain things that are not permitted in school such as: see-through clothing, hats or caps inside the building, unfastened belts or suspenders, combs, picks, or rollers, skirts above the top of the knee, earrings for males, sweat pants, extremly tight fitting clothing, clothing with pictures or phrases in poor taste, shorts above the top of the knee, and sagging pants.

How many championship belts has Hulk Hogan won? 3

What was the name of the car on Night Rider? Kit

Who is the oldest person in Hughes? For information see the Hughes library

Who has the least rushing yards in the NFL? R. Brown

How many eggs are in a dozen? 12

How many breeds of dogs does the world have? There isn't any count. Because you can interbreed

Caught By The Bell

This year is much differnt from last year. The tardy system has changed completely. Ms. Cupples used to keep track of all tardies, but now the teacher keeps tract of the tardies. If you are tardy for class you no longer go to the office, you go straight to class and the teacher makes a note of your tardiness. After your third tardy your teacher tells Ms. Cupples and it is counted as one absence. Mr. Jones said that their were to many people being put in D.O.P. for tardies, over 50% of all the people in the resource room were in there because of tardies. Mr. Hoy and Mr. Jones understand that once in a while people will be tardy. They don't want people to make a habit of it. Make this school year a good one. Let's stay out of D.O.P!!!!!!!!!!!!
